Fireballs Win the U16 League Again

The Fireballs remained unbeaten all season (42 points out of 48 possible) with a goal difference of +64 and so the U16 league title has been awarded to them. This is a tribute to all the hard work of the players throughout the season. With 3 fixtures affected by snow the planned league format had to be altered and the last fixture has been moved to 8th July. The organisers would like to use this date to put together an all-star team to play against the Fireballs in a friendly and to present the trophies. So we want to know if FF players are available on 8th July. Please email info@fufc.net

Alex Smith picked up the top scorer award with 31 goals, but it should be noted that they were not recording assists and some of our players have set up quite a few goals but aren't recognised. Sam K was top goalie and Rory C_B came 3rd in goal.

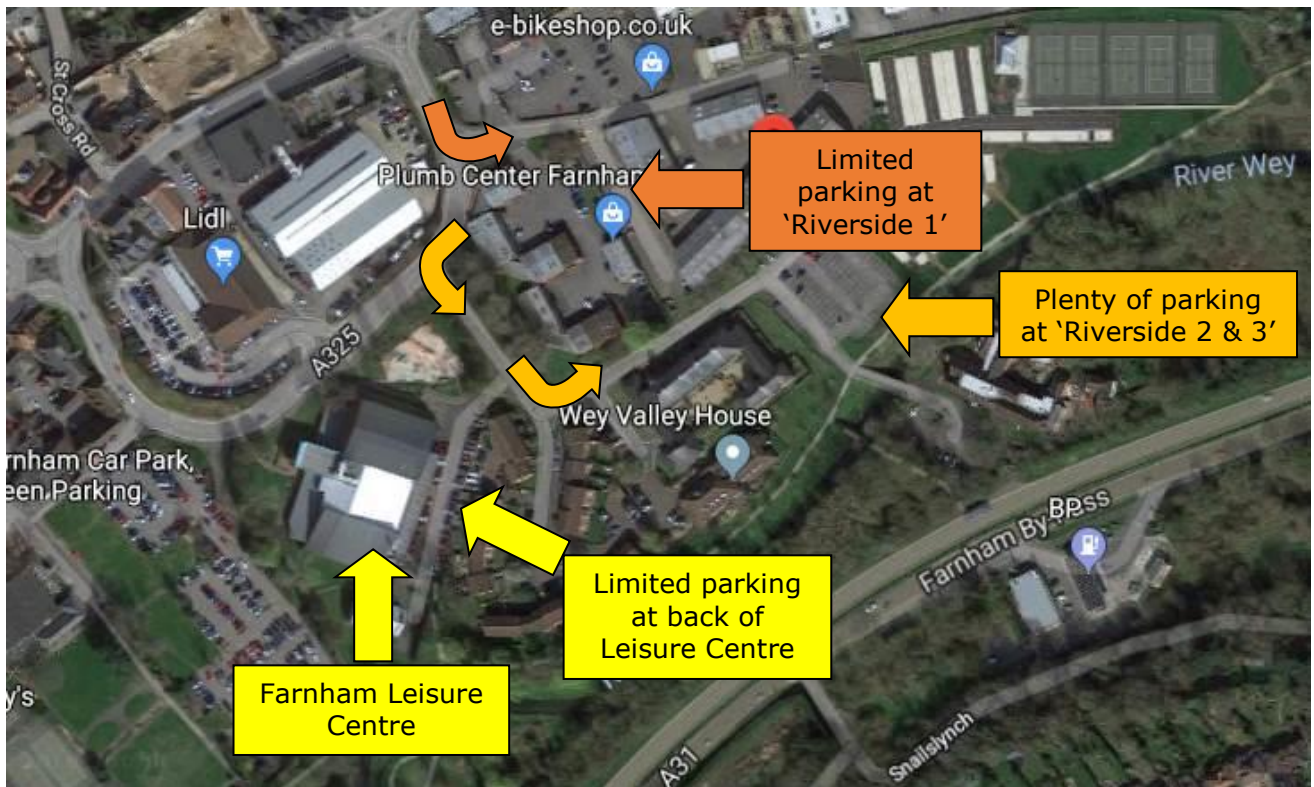

The Shooting Stars are looking likely to come second when the U13 league finishes on 8th July.

Change in Dates of Saturday Training

As announced previously, we have decided to return a little early after half term this year, and only have a 1 week break so that we can get in some more practice before defending our National Cup titles on 17th June. So we start again on 2nd June. We have cancelled the 30th June due to the Farnham Carnival.

Car Park Closure at the Leisure Centre

Due to the East Street Development, the large car park next to the Leisure Centre will close on 28th May. There is a smaller car park at the rear but a better option might be Lidl (if you buy something there) or Riverside Car Park:

Trophy Cabinet

FUFC now has filled the space in the official Farnham Leisure Centre cabinets so that everyone can see our trophies. It is on the first floor by the balcony.

Calling for Parent Helpers

We would like to expand the club and free up some time for the existing coaches so we are hoping that some parents can come forward to fill one or two of the following roles:

Attendance Officer, Competition Day Officer, Team Photographer, Business Development Officer, Welfare Officer

More detail of these can be found on our [FB page](#).

These are not demanding and we can provide help whilst learning what to do.

Lost Water Bottles

We often find a bottle or two in the hall after Saturday training. We hand clothing into the Leisure Centre so that you can collect it whenever the leisure centre is open, but we suspect that water bottles aren't retained when handed, in so we keep those in a large bag. Please ask if you've lost one.
