The Shooting Stars at the Christmas floorball session, more photos on [Facebook](#)

Christmas Party

The FUFC Christmas floorball session was great fun this year, with Christmas themed games and even a shooting competition for the Fireballs!

And Andrew Field handed over the Shooting Stars coaching role to Dan Willmott and Geoff Campbell-Brady.

70 Countries Now Officially Playing Floorball

Rwanda and Burkina Faso were the latest countries to join the International Floorball Federation at the end of last year, now taking the total number officially to 70. Floorball must be one of the fastest growing sports in the world as there were only 20 countries in year 2000.

Tough Games in the TCL League

Another great day at the TCL league in December. The Fireballs won all of their matches (5-1, 2-1, 3-2, 2-0). There were no easy games but that makes it more interesting and keeps everyone level headed. The Shooting Stars enjoyed themselves and kept improving throughout the day, winning everything too (3-1, 7-2, 7-0).

The next fixture on 10th February at Moreton Fire Services College.

There is a new [Youtube Channel](#) where you can watch games from the TCL league.

Floorball Term Fees are Now Due

As we are starting another three month term, please could everyone help Ann-Marie out by paying their fees. The cheapest price per week is obtained when you pay in advance for the whole term (i.e. within the 1st four weeks of the term). This takes you up to April and costs £45 (or about £4/week). Alternatively, you can pay for just the sessions that you play, at £6. The bank details are on our homepage at www.fufc.net

Important Dates

Restart after half term break
Last training before half term:
Next TCL league fixture (Moreton Fire College)

Saturday 5th January 2019
Saturday 9th February
Sunday 10th February

Holiday dates and league fixtures are all listed on the FUFU website www.fufc.net (top left of homepage).
